

Diversity in Agriculture Leadership Program 2022 Pledge

Elders is proud of our diverse workforce, and we are committed to ensuring our inclusive culture provides a sense of belonging for every person.

Our sponsorship of the NFF Diversity in Agriculture Leadership Program reflects our commitment to Diversity, Equality, and Inclusion (DE&I) and to contributing to gender equality within our industry.

Elders has committed to achievement of four diversity objectives by 2025:

1. Maintain representation of women in Non-Executive director position \geq 40% - currently 60%
2. Maintain representation of women in Senior Exec positions \geq 40% - currently at 27%
3. Increase representation of women in senior positions \geq 25% - currently at 17%
4. Increase overall diversity of workforce – currently at 33%

Elders will continue to make positive progress towards these objectives by focusing on equality in selection processes; equity in learning and development opportunities; and policies and procedures which promote fairness.
